

Mission Outreach & Support Needed

Please Join Us in Supporting the Walter Family (Tate and Megan)

We are asking our church family to come together in **prayer and support** for Megan, Tate, and Mr. Joey Walter's newest addition.

If you aren't already aware, Mr. Joey has been facing some unexpected health concerns and will require special care, both in the short term and potentially longer term. This has brought unexpected medical and care expenses for their family during what should be such a precious time.

First and foremost, **please pray for Mr. Joey**—for healing, strength, comfort, and for Megan and Tate as they navigate this journey.

If you feel led, we are also asking our congregation to consider making a **monetary donation** to help ease some of the unexpected financial burden. Our Missions Committee has generously committed to **matching dollar-for-dollar all donations collected from the congregation**.

If you would prefer to donate online, you can do so here:

Megan is also sharing daily updates on Mr. Joey's journey through **"Mr. Joey's Journey & Updates."** Please consider following along to stay informed about his progress, their needs, and specific ways we can continue to pray for and support this family.

Let's surround the Walter family with the love, prayers, and support of their church family. Every prayer and every gift truly makes a difference.
